

綜合管理方針

我們承諾建立 ISO 9001 及 ISO 14001 綜合管理系統，
提供高素質及專業的產品/服務，並定下環保目標，
贏取顧客信任，滿足法律/法規要求，減少對環境的影響，
持續改進。

爲了實現我們的管理方針，我們致力於：

保持合適的及安全的工作環境；

提供優質的產品及服務，超越客戶期望；

建立優良的工作團隊；

防止及減少我們日常運作對環境所做成的影響，並在適用的項目採用減少、
循環、再用的態度；

我們會定期監察及檢討服務及產品的質素，貫徹持續改善。

INTEGRATED MANAGEMENT POLICY

We are committed to provide the best professional services with a comprehensive Integrated Management System, which coincide with our organization goals and Quality & environmental objectives in order to continuously satisfying the needs of our customers, reduce environmental impact and complying with national / international rules and regulation in an effective and efficient way.

To achieve our integrated management policy, we strive to:

- ◆ Operate to the highest standards in safety working environment;
- ◆ Exceed the service requirements and expectations of our customers, to ensure that we are their preferred sub contractor / supplier;
- ◆ Develop a competent, innovative responsible and motivated work force;
- ◆ Prevent pollution and minimize the environmental impacts caused by our activities and adopt the Reduce, Reuse and Recycle approach where practicable;

We will continue to systematically identify, monitor review and control our quality and environmental issues to ensure ongoing improvement.

Managing Director
